### **1<sup>st</sup> Kumbhaabhishekam: Appeal for Participation**

Sri Balaji Temple, Ahmedabad was opened for public on 7<sup>th</sup> April 2007 after pranaprastha with the help and support of people of Gujarat and had completed 11 years. The temple carries out all the pujas as per Vaikhanasa Agama Sastra. Large number of devotees perform sevas and utsavams. Darshan of Viswarupam of Bhagwan Vishnu, Garudji and Hanumanji on this campus takes the devotees to a mesmerizing spiritual world. The environment provides pious and positive feelings and add to the unique vibrations that the devotees experience while having darshan of the Lord Balaji.

Sri Balaji Temple also organizes social service activities like blood donation camps, medical camps, clothes distribution to poor & needy people, books & uniforms to poor students, utensils for orphanages etc. Till date, we had collected 3900 units of blood and distributed free of cost to 11700 patients through Indian Red Cross Society, Ahmadabad. Sri Balaji Temple has become one of the important places identified by Gujarat Government to be visited.

Sri Balaji temple has entered twelfth year and Kumbhaabhishekam should be completed before April 2019 as per Agama Shastra. It is planned to perform this by bringing 40 pujaris/Veda pundits from Tirupati. The entire programme will be conducted in 10-15 days. The Kumbhaabhishekam brings all-round prosperity not only to devotees but also to the society as a whole.

It is planned to bring out a Souvenir "People's empowerment by Lord Venkateswara", by April, 2019 (12<sup>th</sup> Brahmastavam). Devotees and Donors are invited to contribute articles and their experiences in Gujarati, Hindi and English. Donors may include their advertisements in the souvenir. For conducting the Kumbhaabhishekam, we need to carry out renovation and painting of temple, make new silver/gold idols and ornaments etc. and perform yajnas. Table below shows some of the items required for the development of temple and for Kumbhaabhishekam. This provides opportunity to devotees and donors to contribute and offer God as per their wish and capacity. Donation of any amount is received with thanks.

Sri Balaji Temple is also planning to purchase land for development of Tulasivan and flower garden. It will give opportunity to devotee to "offer Tulasi, flower or fruit to Sri Balaji every day even in their absence".

For running this temple as per Agama Sastra, it is planned to raise corpus fund. The funds will be kept in fixed deposit and only the interest amount will be used for temple expenditure. Devotees are invited to contribute and propagate about the event among friends, relatives & family members to contribute voluntarily for the above purposes.

**Details About Kumbhabhishekam:**

As per the Agama Sastra, Kumbaabhishekam has to be performed for every temple once in 12 years (to perform 'Ashtabandana Kumbaabhishekam' for Moolasthan murthy which are without/aged and poor Ashtabandana marundhu). Samprokshanam is the word used in vaishnavite shrines. Kumbaabhishekam recharges the spiritual power of the deity and also the Kalasa of the temple tower, which is also surcharged with the same divine power as the deity. Kumbaabhishekam consists of erecting of Balaalayam, performing japas, homas and yagnas, chanting of Vedas, sanctifying kalasas etc. The finale is pouring of the sanctified water from kalasas on the top of central Vimana, the gopurams and other deities. The Kumbaabhishekam is conducted with the sole purpose of eradicating all illness, deriving rich benefits for the well being and for healthy propagation of the progeny.
